Award Nominations Form

the nomination may not be accepted.

TYPES OF AWARDS

INDIVIDUAL DISTINGUISHED SERVICES

MSSA recognizes an individual for outstanding service and leadership to MSSA.

- Individual has made an outstanding contribution to MSSA in a significant area (be specific).
- Individual has utilized personal skills and experience to achieve MSSA's mission of providing leadership to enhance the lives of Minnesotan's by supporting diversity, impacting public policy, educating, and communicating among human service professionals.
- Individual has made special use of, or helped create, community resources to effect change.
- Individual participates in, promotes and is/has been recognized for their commitment to the field of Human Services.
- Describe the nature and length of the nominee's activity in MSSA.
- **Nominee is a current or past member of MSSA.**

OUTSTANDING STAFF ACHIEVEMENT

MSSA recognizes individuals who routinely exemplify outstanding service to clients.

- Has consistently demonstrated outstanding service to clients.
- Routinely performs tasks at an excellent level.
- Has utilized personal skills and experience to help create a positive client focused work environment.
- Has made special use and/or helped to create community resources to effect change for clients.
- Participates in, promotes, and is/has been recognized for commitment to the field of Human Services.
- Is valued by agency or co-workers for contribution to the work team.
- **Is a current member of MSSA.**

OUTSTANDING STUDENT

MSSA recognizes students who routinely exemplify outstanding academia.

- Holds a 3.0 or greater GPA.
- Routinely performs at an excellent level.
- Demonstrates an outstanding ability to work in the human service field.
- Participates in, promotes, and is/has been recognized for commitment to the field of Human Services.
- Is valued by peers and advisors.

COMMUNITY COLLABORATION

MSSA recognizes a community which collaborates in a meaningful way to provide a set of services to a client population(s).

- Agencies and the community-at-large have demonstrated a high degree of collaboration, marked by cooperation, on the activities which led to the delivery of the service.
- The service delivered has met a high need area of a broad social service(s).
- The activity has demonstrated a long-term solution to a problem, not just a "band-aid" to a major issue.
- Community has shown innovation in how it has worked together on the solution and how it has used its resources most efficiently as well as effectively.
- Community has exhibited a partnership as being part of the community not just several agencies. The community itself has been a major part of the solution.

VOLUNTEER SERVICE

MSSA recognizes outstanding service in the area of Volunteer Service. Nominees for this award must be volunteers (not paid staff) whose involvement evidences a significant contribution to clients, agency, and community.

- Volunteer has evidenced outstanding results through direct service to clients and agency.

Award Nominations Form

- Volunteer has demonstrated use of personal skills and experience to contribute to community service.
- Volunteer has made unique use of, or helped to create, community resources to effect change (i.e., people, programs, groups, media).
- Volunteer has shown evidence of sustained commitment to the field of Volunteer Services (i.e., length of service, intensity of service).

CHILD FOSTER CARE

MSSA recognizes outstanding foster care provided to children. Nominees for this award should demonstrate an outstanding effort of providing a stable and supportive environment which allows for children's growth and development.

- Describe how the foster care providers are unique and what sets them apart from other providers.
- Ability to work with the agency, family member, and resources in the community.
- Participation in community projects and activities promoting foster care.
- Understanding and recognizing the needs of those placed in their home—to be accepted and respected as an individual; to be treated with dignity; to be valued for the contribution they can make.
- Ability to meet the child's needs for care and support while encouraging growth.
- Evidence of deep commitment to foster care programs as shown by the length of service, intensity of client service, and dedication.
- Should show evidence of the provider's ability to prepare the child for reunification in the home or other community placement.

ADULT FOSTER CARE

MSSA recognizes foster care provided to adults. Nominees should demonstrate an outstanding effort of providing a stable and supportive environment which allows for client growth.

- Describe how the foster care providers are unique and what sets them apart from other providers.
- Ability to work with the agency, family members and resources in the community.
- Participation in community projects and activities promoting foster care.
- Understanding and recognizing the needs of those placed in their home—to be accepted and respected as an individual; to be treated with dignity; to be valued for the contribution they can make.
- Ability to meet clients needs for care and support while encouraging growth.
- Evidence of deep commitment to foster care programs shown by length of service, intensity of client service, and dedication.

SPECIAL NEEDS FOSTER CARE

MSSA recognizes outstanding foster care provided to special needs children (physically or developmentally disabled, EBD, learning disabilities and/or mental health issues, etc.). Nominees for this award should demonstrate an outstanding effort of providing a stable and supportive environment which allows for children's growth and development.

- Describe how the foster care providers are unique and what sets them apart from other providers.
- Ability to work with the agency, family member, and resources in the community.
- Participation in community projects and activities promoting foster care.
- Understanding and recognizing the needs of those placed in their home—to be accepted and respected as an individual; to be treated with dignity; to be valued for the contribution they can make.
- Ability to meet the child's needs for care and support with encouraging growth.
- Evidence of deep commitment to foster care programs as shown by length of service, intensity of client service and dedication.
- Should show evidence of the provider's ability to prepare the children for reunification in the home or other community placement.

KINSHIP CARE PROVIDER

Award Nominations Form

MSSA recognizes outstanding kinship care provided to children or adults. Nominees for this award should demonstrate an outstanding effort of providing a stable and supportive environment which allows for growth and development.

- Describe how the kinship care providers are unique and what sets them apart from other providers.
- Ability to work with the agency, family member, and resources in the community.
- Participation in community projects and activities promoting care.
- Understanding and recognizing the needs of those placed in their home—to be accepted and respected as an individual; to be treated with dignity; to be valued for the contribution they can make.
- Ability to meet the needs for care and support with encouraging growth.
- Evidence of deep commitment to kinship care.
